

INTERNET CAN BE FUN, but don't play with your security !

**SOME TIPS
FOR USING
THE INTERNET
RESPONSIBLY
AND SAFELY
ARE:**

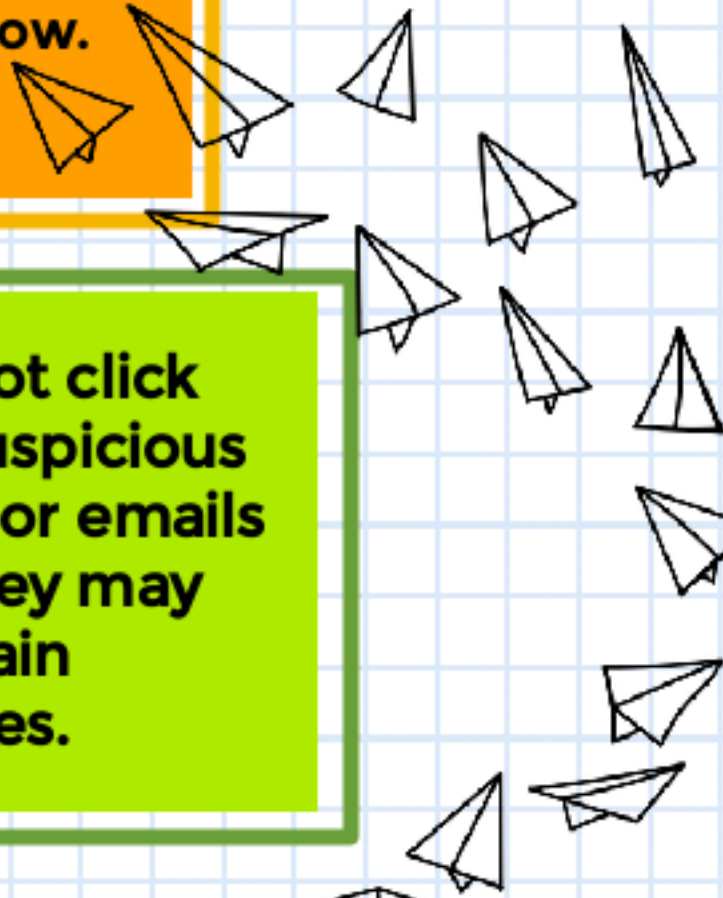

**Make sure the
page you are
accessing is
secure.**

**Have a good
antivirus for
your security.**

**Does not share data
such as your
address, phone
number and
personal
information on
Internet.**

**Avoid talking
to people you
don't know.**

**Do not use the
same
password on
multiple
accounts.**

**Always back
up files,
photos and
other
important
stuff.**

**Keep private
your accounts
on social
networks.**

**Keep your device up
to date. It rises the
difficulty for
possible internet
attackers.**

**Do not click
on suspicious
links or emails
as they may
contain
viruses.**

**Check always the
real source of news
items before sharing
them and prevent
fake news.**

**Think
carefully
before posting
anything on
the internet.**

**Research
it before
talking
about it.**
